## About Harren Equity Partners

Harren Equity Partners is a private investment firm dedicated to the growth and development of industry-leading companies through the creation of strong partnerships with outstanding management teams. Harren Equity Partners has raised more than \$500 million of capital across three funds since its inception in 2000. Harren's unique approach focuses on operational excellence and insightful strategic analysis, rather than financial engineering. The principals of Harren have significant operating experience and work closely with portfolio company management teams to continue to grow companies and improve profitability. Harren focuses on investment opportunities in the lower middle market, defined as companies with \$20 million to \$200 million of annual revenue, in a broad range of industries.
